

Plastic recessed fixing kit Included

# Forever LED

- Indoor and Outdoor waterproof wall recessed mounted LED luminaire.
- Full luminaire made of machined aluminium 6262 or Brass MS 58 to optimize heat dissipation.
- Grey anodized aluminium or painted finish.
- Clear protection PC 6mm, silicon rings.
- Nichia LED mounted on metal core PCB (MCPCB). 2700K-3000K-4000K.
- CRI 90 available upon request.
- Anti-corrosion capabilities through the anodization process implemented on the aluminium parts.
- Included installation tube.
- Minimum thickness of the anodized layer is 20µm for outdoor or corrosive environments (i.w seaside or industrial spaces).
- The anodization process fulfills the criteria of Seaside Class.
- 10 years warranty on the body.
- Luminaire life time > 50,000 hours at 70% luminous flux.
- Multiple spots can be operated through one CC driver in serial connection.
- MAX Input 700mA.
- Dimmable.
